

A vibrant illustration for Mother's Day. At the top, a butterfly with yellow, pink, and blue wings is shown in flight. Below it, a large green flower with a pink center is positioned above the word 'Happy'. To the left of 'Happy' is a blue flower with a yellow center. The words 'Mother's' and 'Day' are written in large, pink, rounded letters. To the right of 'Day' are two yellow flowers with blue centers, one larger than the other. The entire scene is set against a plain white background.
